Profile

Penetration Tester | Bug Bounty Hunter

I'm Ahmed Ehab Sayed , As a dedicated cybersecurity professional, I specialize in Web Application Security, Penetration Testing, and Red Teaming. With hands-on experience in bug bounty programs, I have successfully reported critical vulnerabilities, including logic flaws, race conditions, and other complex security issues. My expertise extends to manual testing, automation, reconnaissance, and scripting, ensuring a comprehensive approach to security assessments. Passionate about ethical hacking and continuous learning, I am eager to apply my skills to enhance cybersecurity resilience in professional environment

Professional Experience

Bug Hunter

Apr 2024 – present

HackerOne

- **Specialization in Manual Testing:** Reported a variety of complex vulnerabilities, including criticals, highs, and a bunch of medium-severity issues, with a strong focus on logic bugs, race conditions, and other application-specific logical flaws.
